The information and views in the reports, our website & all the services (“Research Information”) we provide are believed to be reliable, but we do not represent or warrant the accuracy, completeness or reliability of the information contained in our Research Information, investors and clients are advised to independently evaluate the market conditions/ risks involved, before making any trading/investment decisions. The Research Information is not intended to be an exhaustive statement on the financial instruments, issuers, markets or developments referred to therein. Reasonable care has been taken to ensure that the Research Information are not misleading or untrue at the time of publication. Any opinions expressed in the Research Information are subject to change without notice. The analysis contained in the Research Information is based on numerous assumptions. Different assumptions could result in materially different results. Information in the specific research reports are for the private use of the person to whom it has been provided without any liability whatsoever on the part of the Firm, its partners, employees, and associated entities. The research material published on this website does not constitute an offer or solicitation to buy or sell any securities referred to therein. It should not be so construed, nor should it or any part of it form the basis of, or be relied on in connection with, any contract or commitment whatsoever.

Save as otherwise disclosed on this page, and Disclaimers and disclosures attached to each piece of research report, the Firm, its employees and associate entities of the Firm are not aware of any relationships or circumstances relating to it, which could reasonably be expected to impair the objectivity of the Research Information. Research reports issued to individual clients under specific instruction is for the sole benefit of that client, and the report shall not be shared with any other person without the consent of the Firm.

Users of our website have the right to choose the product/s that suits them the most. The information contained on our website is from publicly available data or other sources believed to be reliable. Purvesh Mehta’s research reports only provide information, updates, and analysis.

The Firm, its employees and associated entities shall not be in any way responsible for any loss or damage that may arise to any person from any inadvertent error in the information contained in the research reports. The documents are provided for assistance only and are not intended to

be and must not alone be taken as the basis for an investment decision. The information herein, together with all estimates and forecasts, can change without notice. Our Clients (Paid or Unpaid), any third party or anyone else has no rights to forward or share our calls or SMS or Report or any information provided by us to/with anyone which is received directly or indirectly by them. If found so then Serious Legal Actions can be taken.

All information on **www.purveshmehta.com**, research reports or other services is solely for the personal information of the recipient, and must not be singularly used as the basis of any trading or investment decision. Free research posted in this website is for educational purposes only.

The Firm, its affiliates, and employees may, from time to time, make investments. The views contained on the website, research reports, and advisory are those of the analyst, and the Subject Company may or may not subscribe to all the views expressed within. Research-based on technical and derivative analysis center on studying charts of a stock's price movement, outstanding positions and trading volume, as opposed to focusing on a company's fundamentals and, as such, may not match with a report on a company's fundamentals. The research published on the website or in research reports has been done on the basis of publicly available information, internal data and other reliable sources believed to be true, but we do not represent that it is accurate or complete and it should not be relied on as such, as it is for general guidance only. The Firm endeavors to update on a reasonable basis the information discussed in this material, there may be regulatory, compliance, or other reasons that prevent us from doing so.
